MSC Seaside will lead the way for a new generation of cruise ships with their revolutionary architecture and cutting-edge technology. She will be the first ship in the MSC Cruises' fleet to be christened in the United States, sailing in the Caribbean year-round from Miami's Port starting in December 2017. | 4 | Charlotte Amalie, St. Thomas - Located in the US Virgin Islands, Charlotte Amalie on St. Thomas is the capital of the USVI. Named after a Danish Queen, the town has a deep-water harbor, making it a perfect stopping point for luxury cruise ships. Elegant 18th century architecture in pretty pastel colors creates the perfect backdrop for walking tours and a pleasant shopping experience. The key sights of Charlotte Amalie are located within the town centre, making it easy to combine sightseeing with what are fantastic retail opportunities due to the large proportion of duty-free shops, hence the island's status as 'Duty Free Capital of the World!' Don't miss Emancipation Park, named to commemorate the emancipation of slaves in the Danish West Indies in 1848 or the American-Caribbean History Museum for a snapshot of the island's history. If you're after real relaxation, head to any of Charlotte Amalie's pristine beaches for warm water, white sands and palm trees! | 8:00 a.m. | 4:00 p.m. |
| 5 | At sea | - | - |
| 6 | Nassau, Bahamas - Your ship will dock in Nassau's sheltered harbor, the perfect stop to start visiting this beautifully preserved city, with its Victorian mansions, cathedrals, 18th-century fortresses and Queen's Staircase (the 66 steps lead to a breathtaking panoramic view). Once off the ship, you will discover Nassau's weather-beaten, ancient forts and fine local and international crafts and goods from handmade lengths of batik to Rolex watches. An abundance of smart casinos, cabaret shows, and cruise ship docks make Nassau a vibrant centre for entertainment as well as commerce, and a memorable stop during your vacation. | 12:00 p.m. | 8:00 p.m. |

|---|--|-----------|------------|
| 7 | Ocean Cay - At 95-acres in size and with 11,400 feet of pristine beach front spread across six distinct beaches, Ocean Cay Marine Reserve will be the biggest island development by any cruise company in the Caribbean. A purpose-built berth and pier right on the seafront means that MSC Cruises guests will be able to step off the ship straight onto the island. Since a unique part of their visit will be the island's night life in particular live music and entertainment at the 2,000-seat amphitheatre and many restaurants and bars, guests moving at leisure between ship and island will be especially convenient. In addition, the ship and all on board services – including the casino – will stay open while berthed at Ocean Cay MSC Marine Reserve. All installations and experiences on the island, which lies 20 miles (32 km) south of Bimini and just 65 miles (104.5 km) east of Miami, Florida, will be fully sympathetic to the culture and traditions of the Bahamas. There will be an architecturally faithful Bahamian village, plentiful restaurants and bars offering local specialties, a variety of shops and an inviting arrival center with island-themed music gazebo. Also, getting around the island will be a breeze, thanks to a network of walking and running paths, bicycle rentals and other stress-free transport options. Other highlights include a family beach with kids' restaurant, play areas and other useful facilities, a charming inland lagoon for absolute tranquility, and a thrilling zip wire crossing the island. | 9:00 a.m. | 11:55 p.m. |
| 8 | Arrive in Miami. Disembark the <i>Seaside</i> . Transfer to airport. Fly Miami to Boston (possible intermediate stop). | 7:00 a.m. | TBA |
