**TRAVEL PROTECTION INSURANCE:** We encourage the purchase of the travel protection plan. Trip insurance protects against the unexpected! No one signs up for a trip thinking they are going to have to cancel or have an accident or illness and have to return home early. Do you have children or elderly parents? Trip Mate will get you home if something life threatening happens to an immediate family member, or, will refund you for canceling in advance of departure and or for missed portions of your trip for the same reason or for illness or accident. Trip Mate's "soup to nuts" travel protection plan covers all of these possibilities. Optional trip insurance is a small price to pay for the peace of mind knowing you and your tour arrangements are fully insured against the unexpected. We will pay your insurance premium out of your initial deposit so that the insurance industry's "pre-existing illness clause" is waived, and add the cost of your insurance plan to your final bill so that you do not have to make this added out-of-pocket expense now!

All persons traveling with Durgan Travel Service are automatically enrolled in Travel Protection Insurance through Trip Mate (1-800-888-7292) if they checked off the "YES" box on the Reservation Form. Please call Trip Mate if you have questions about your insurance or your eligibility.
