Travel with us on our fabulous vacation to the Estoril Coast of Portugal! We will be staying in Estoril, just minutes from Lisbon. The Estoril Coast is frequently called the "Land of Two Springs" or the "Coast of Kings." One of the wealthiest areas of Portugal, it is noted for the many historical and world-famous figures that have chosen this resort as a place to relax. Estoril is home to Europe's largest casino, Casino do Estoril, which is featured in one James Bond movie and was also the inspiration for "Casino Royale." Average daytime temperatures are in the mid-60's in March, April, and November, and low 70's in May and October, so the region has great weather for sightseeing!
